Hi Joerg,

I understand that CARB would now prefer a call tomorrow (Jan 20) at 10 PST (1EST, 7CET).

That time can work for EPA if that time works for Mercedes.

It would be good if you can provide the call in information.

Thanks,

Byron

They said they would be ready to have a call anytime from Wednesday onward this week. I am booked solid on Wed but can be available late in the day on Thursday (4:00 PM or later) or Friday.

Can either of those days work for your team? I am assuming the call would be an hour or less.
